

“ ARE YOU WORRIED ABOUT LOSING YOUR HOME OR SAVINGS TO PAY FOR YOUR CARE OR THE GOVERNMENT TAKING YOUR CHILDREN’S INHERITANCE? WORRIED ABOUT LOSING CAPACITY THROUGH STROKE, DEMENTIA OR ACCIDENT WITH NO ONE CLOSE TO YOU ABLE TO SPEAK FOR YOU? ”

PROTECT yourself and your family by attending the Harvey Howell **FREE** webinar on Wills, Trusts, Powers of Attorney.

ATTENDING THIS EVENT COULD SAVE YOUR FAMILY HUNDREDS OF THOUSANDS OF POUNDS

SOME THINGS WE WILL LOOK AT

DO YOU HAVE A BASIC/STANDARD/DIY WILL?
IS THAT REALLY GOOD ENOUGH?

You might have put a **STANDARD WILL** in place – **OK** – but these often just repeat what the law says anyway if it leaves everything to the surviving spouse and then the children. What about care home fees, children of previous relationships, looking after vulnerable children or relatives, guardianship of children and grandchildren, claims against the estate by unhappy relatives - the Chancellor is trying to get the government’s hands on your or your family’s inheritance - **THERE ARE MANY PROBLEMS TO CONSIDER.**

WHAT DO YOU NEED TO THINK ABOUT? WORRIED ABOUT INHERITANCE TAX?

- // How will the government hit bereaved families by cashing in on inheritances to fill the £500 billion hole in government finances
- // The Chancellor has abolished the planned £86,000 cap on care costs, so many homes and therefore planned inheritances for children and grandchildren will continue to be lost to pay for care - can you do anything about this?
- // What if you or a member of your family loses the ability to make decisions for themselves due to an accident, stroke or dementia? No-one can access their bank accounts, pay bills or even decide on their medical treatment, including where and how they are treated and whether or not they have to live in a care home. These decisions are taken out of your family’s hands and made by a social workers - we can help your family have a voice through Lasting Powers of Attorney.
- // Don’t leave your estate to family members with a disability or additional needs who will lose their benefits or those who are vulnerable perhaps with drugs, gambling or alcohol problems who might lose it - put it in trust for them.

- // Are you unmarried with a partner? Dying without a Will distributes your estate in accordance with very old law which dictates how much family members receive. Unmarried partners receive nothing and, beware, your children’s inheritance is administered by their surviving parent with whom you may no longer have a good relationship.
- // The right type of Will can save your family hundreds of thousands of pounds.
